It's the best of the best. Amazing panoramic views - from The Red Bluff to The Entrance & beyond. This is Bass Strait at its finest. Located in Bung Yarnda Court atop an escarpment overlooking the picturesque Lakes Entrance Golf Course to the horizon. This beautifully designed home encompasses three levels of quality living and caters to all manner of family structures. You'll find the main bedroom, walk-thru robe and spacious ensuite on the upper level with ocean views from every window. The main entry level comprises a double garage with internal access, foyer, separate lounge, dining room, two further bedrooms, main bathroom, laundry, and large family room & kitchen with wall to wall, floor to ceiling windows and high raked ceilings providing a feeling of space - and taking advantage of the spectacular views on offer. Downstairs, you will find a 4th bedroom with its own ensuite, walk-in robe - and yes, more fantastic views. There's also ample decking and entertaining area spread across two levels. The outlook is equally impressive after sundown when the local fishing fleet departs for the night,(maybe a week) spreading in all directions until they return to port with their fresh catch. But it's not just boats that will catch your eye - keep a lookout for migrating whales and far off oil rigs when the conditions are conducive. All round, this beautiful home has much to offer as you will learn upon inspection. You can watch the sky & the sea in all its calm & sometimes rugged glory from the comfort of your armchair or dining table.Come & be tempted!
