The Phone Code for this property is: 72208. Please quote this number when phoning or texting. This is one property where the photos don't do it justice. A wonderful relaxing place to come home to after work or outing. You feel like you're on holiday in your own place. When you're done with living in a huge house but still need a space or two to create. And like to have visitors occasionally... look no further than here. The main cabin has all the amenities you need. The second cabin is a beautiful space to create in. The third is far enough away from the main to give visitors privacy with access to outdoor amenities. You've got two more areas in the yard to relax and socialise. Also three sheds to store what's needed. A large working vegetable garden. And a flat lawn with beautiful fence lines of gardens and established young trees. Fully fenced for your four-legged friends with both power and water points throughout the block.
