OFFERS FROM \$645,000

Make your move quickly here with this Recently Renovated 3 Bedroom home in a great location, which boasts enough room to park about 10 vehicles!! A perfect fit for a Tradie or those with multiple vehicles, you would need to search far and wide to find another property in Bassendean that offers as much as this one does. Starting from the front, you have space to park about 6 vehicles - Plenty of space for family & visitors. Stepping inside you'll find a Super-modern vibe, with a freshly painted interior, new flooring, a very Open plan design, and a brand new Kitchen as an added bonus. The Main Bedroom is positioned towards the front of the home and features a semi-ensuite Bathroom and a walk-in robe. With both minor bedrooms being quite spacious as well, each of them would easily fit a double bed. The semi-ensuite bathroom features a Shower over the Bath, and a new vanity unit. Heading back to the main living space, the Kitchen has literally just been finished for you and features a Stainless Steel upright electric cooker, Large Counter top with Breakfast Bar, and overlooks the Casual Meals area, which also leads you straight to the outdoor entertaining area. A Patio provides ample cover for outdoor seating, and there is plenty of additional space for the kids to play. With the majority of the back yard being concreted, it makes this the ideal lock-up and leave home. Positioned towards the rear of the property is a Triple Garage with lined walls inside, and a bonus storage loft space. A separate Studio has been created inside the third garage space (was a spray booth), but can easily be converted into whatever suits your requirements.
