Delivering two levels of exquisitely-crafted high level interiors that mirror the fresh and invigorating environs that surround it, this grand and impressive harbourside entertainer is pure elegance and class with captivating peninsula vista. Privately placed at the idyllic northern tip of Congewoi Road by Quakers Hat Bay, this private elegant home enjoys exclusive peninsula views, whilst basking in quiet, family-friendly environs and surrounded by lush, green harbourside reserves. Architect-designed and built just seven years ago using the best construction practices and materials, this spectacularly-polished home has been crafted with an elegant Neo-Georgian / French-Provincial influence, and elevated with a raft of state-of-the-art inclusions. A strong, family-focused layout lays the foundation for this one-of-a-kind home that delivers a vast living zone with a sweeping, open-plan design, alfresco entertaining space with captivating tree-lined views across the peninsula and Bay, a stunning chef's kitchen adorned with high-grade finishes, and the flexibility of a second living space, luxury home office or fifth bedroom. The exquisitely-crafted living and entertaining space also includes a lavish master suite with dual walk-in wardrobes, a chic en-suite bathroom, and private balcony that opens to drink in a verdant green vista that lies beyond. This exclusive pocket of Mosman is hidden away from it all, private and prestigious, yet offers incredible access to a wide range of lifestyle amenities, including the vibrant shopping and dining offerings in the village and a choice of harbour beaches, reserves and walking tracks to explore and discover. This location also offers close and convenient direct access to the city, and a central base for exploring the north shore and northern beaches.
