In a great family friendly location, this home enjoys magnificent Mountain Views all with-in walking distance to the local shop and just 100 meters from a great park. The living area is spacious with a panoramic Mountain View and has a heat pump. Kitchen with dishwasher, & dining area combined. Bathroom has separate bath to the shower. 3 double bedrooms - two of which have built-in wardrobe. There is also a separate Laundry with access outside. With a good sized yard, storage shed, and plenty of off street parking in the driveway - this one has all the boxes ticked! Inspections will be held strictly by appointment with those that register for an inspection request as the home is still occupied. *Current tenants are breaking lease, and at this stage we are working on an availability date of approx. 17th May-to be negotiated and discussed further with the approved applicant, for a 12 month lease.
