A uniquely wide block of land (approx 790sqm) in exclusive Old Strathmore provides the perfect setting for this mid-century gem offering a myriad of options for those looking to renovate or renew (STCA). Filled with natural light, the home's impeccably presented interior comprises three bedrooms (large master with built-in robes), as well as a neat central bathroom and separate WC. Further highlighting its immediate appeal is the inclusion of a front lounge, dining room and adjoining living area with elevated easterly outlook to enjoy the stunning sunrises. Other features include a kitchen/meals area with Asko dishwasher and vintage St George double oven, ducted heating, a/c, high ceilings and original steel-frame windows, plus an expansive backyard garden with undercover entertaining area and lock-up double garage via the full-length side driveway. Napier Street Village cafes and shops around the corner, it's also walking distance to Strathmore Primary School, St Vincent de Paul Primary School and Strathmore Secondary College, local buses, parks and Moonee Ponds Creek Trail, as well as easy access to Strathmore Station and Citylink.
