Jatin Mehta

\$550,000

This property appears to offer a comfortable living space with convenient access to essential amenities and transportation options. There are three spacious bedrooms in the house, a large living room providing ample space for relaxation and entertainment. There is a combined kitchen and meals area providing a convenient space for cooking and dining. The kitchen is equipped with gas appliances, which are efficient for cooking. The property includes a central bathroom. A single car carport is available, providing covered parking for one vehicle. The property boasts a large backyard, offering outdoor space for various activities, such as gardening, outdoor dining, or simply enjoying the outdoors. The property is also conveniently located near various amenities such as: A nearby secondary and primary school, which can be convenient for families with school-age children. Bus stops nearby provide additional transportation options. Access to local parks can be great for outdoor activities and leisure.
