CHARMING HOME IN THE CENTRE OF JAMIESON

Positioned right in the township of historic Jamieson, this 3 bedroom home is on leafy Grey Street, a short hop, skip and a jump to the café, general store, local pub and the Jamieson and Goulburn Rivers.

The open plan living/dining/kitchen showcases an updated modern country kitchen with a Euro wood fireplace and split system to keep you comfortable all year round. A large laundry leads off the kitchen with a separate second toilet. Three bedrooms and the family bathroom lead off the central hallway, all with lovely views of the well established garden.

The home resides on a large 1,013m² allotment and is surrounded by lovely, well established gardens that create a sense of privacy and peace. There is a single lockup shed with a double bay open shed at the rear of the property. Perfect for wood storage and a workshop.

This property is the perfect holiday weekender, with no need for any further work to be done. Take advantage of the Mansfield District's booming holiday letting market, this property is the perfect investment.
