A wonderful opportunity to invest. This is a well situated 639sqm (approx.) allotment in Castlemaine's newest, most exciting community, that will be completely serviced. Located just 6 minutes drive from the centre of Castlemaine and all the amenities and services it has to offer; but also far enough out to avoid most of the hustle and bustle of town, this is a fabulous block ready to be built on. Whether you are looking to invest in Castlemaine, or build your own home, this could be the block for you.
