Offered to the market for the very first time, this lowset large family home has it all. Located on a flat block in a quiet location, the home oozes character and invites you to enjoy the best of the Queensland lifestyle. Stepping past the privacy providing fence, you are immediately struck by a sense of space with the level yard inviting you and your family to enjoy all the 940m² lot has to offer. The Mandarin version of the video may be found here:

<https://youtu.be/A-tNypcqSTs> Upon entering the home you are greeted by the oversized formal lounge. This provides you room to entertain, gather the family or even use a separate lounge and office configuration. From here you can move through to the second living area, incorporating a large dining room, currently hosting an 8 seat formal table as well as generous family room with working open fireplace. The kitchen is large with feature vertical joinery adding to the appeal, while the ample bench space provides room for all your needs and comes with sweeping views of the outdoor entertaining and pool. The oversized, airconditioned master suite not only boasts views across the pool, but also resort style ensuite with a bright & airy feel, while bedrooms two and three both have full-length built-in wardrobes and overhead fans and are generously proportioned. Bedroom four is also of good size and is conveniently located towards the front of the house allowing it to double as a guest room. All bedrooms boast new carpet and plenty of natural light. Stepping outside you discover the massive, covered entertaining area that invites your hosting family and friends with its over 80m² of space. From here you have easy access to the heated inground pool with its shaded cover to protect you from the summer sun. The fully fenced yard is perfect for kids and pets to play, while the double lock up garage comes with an oversized workshop and high clearance. Add a separate parking area perfect for van, boats, trailers and more and you have space for everything. The location is impeccable, being on a quiet street yet less than three minutes to John Paul College, Daisy Hill State School, Logan Hyperdome and the M1. You can be in Brisbane CBD in 20 minutes and the heart of the Gold Coast in 30 minutes. The vendors are relocating and therefore the property must be sold, so we are off to auction on the 17th of February in the function rooms at Fitzzy's on Bryants Road in Loganholme at 2pm.
