\$550,000

Located in popular Highview Drive surrounded by quality homes, this 2 story home makes the most of the stunning views, with large picture windows in both living areas providing the perfect spot to watch the sunrise. Special features - 6.3kw solar Split system Reverse Cycle AC Security system installed. The home features a large formal lounge area with sliding doors accessing a large north facing patio which also takes in the view and is perfect for entertaining. Adjacent to the lounge is a separate formal and casual dining areas with a compact kitchen. There are 3 good size bedrooms on this level, one with built in wardrobes. Downstairs is a large family room area with an adjacent office and perfect space for the new ensuite if you wish to add. There is also a single car garage on this level and a large under house storage room. Situated on a corner allotment, the property has 2 street access with a carport adjacent to the kitchen providing easy access to the home on shopping day. There is also a gate entrance to the large front garden area. This property is situated ideally on the elevated, northern side of Pt Lincoln and represents a realistic price point for a home with such an outstanding view. Contact James Stacy to arrange a viewing today and make this beautiful home yours.
