WARM AND WELCOMING IN WINDAROO

The Craig Harper Team is excited about this wonderful new listing that had just hit the market in the popular and highly sought-after suburb of Windaroo.

What makes this listing so exciting? Windaroo is halfway between the Gold Coast and Brisbane with easy access to the M1, just a short car ride to Mt Tamborine, close to both primary and high schools, day care centres, public transport, shopping centres, gyms and a variety of cafes and eateries which are all in close proximity. A bonus for the avid golfer, it's just a short 400m to the 3rd hole of the Windaroo Lakes Golf Course. After a round of golf, take the family for a meal at the club. The food and atmosphere will not disappoint.

Sitting on a fully fenced 777 sqm block, you will find a well presented 3-bedroom brick and tile home. The property has been freshly painted inside and new flooring laid throughout. There is nothing to do except book the removalist and unpack.

Open the front door into the lounge room which flows onto the dining/kitchen area, which is air conditioned for all year-round comfort.

The spacious kitchen boasts a new upright stove, large pantry and plenty of cupboard and preparation space.

Separate laundry with additional storage and internal access to the double garage. There are also security screens all round.

The bedrooms are all generous in size, the master with walk in robe, ensuite and air conditioning. The other 2 bedrooms both have built-ins.

Invite the family and friends for a BBQ lunch as there is ample room in the covered entertainment area.

Want to bring additional family with you? Not a problem, as the back yard being some 20m wide and 18m from the back of the house there is plenty of room to build a granny flat. Maybe dad would like a large shed or man cave, or perhaps a swimming pool for the kids. The possibilities are endless.

Windaroo offers a lifestyle like no other suburb. So why not come and take a look at what this wonderful home has to offer.
