This near level N/E facing 809m² block occupies a great position & offers stunning ocean and island views to K'Gari from a highset home while still having some water views if you were to build a single storey. Town water & power are available to the block with the bonus of no building covenant which allows flexibility and creativity in your building plans. Situated just a couple minutes drive to local shopping village, community hall, boat ramps and daily barge services to Fraser Is (K'Gari). The small waterfront community is just a 10 Minute drive to Hervey bay airport and 15 minutes to Hervey bays larger shopping precincts, private & public schools, cinema's and our stunning coastal strip & wide sandy beaches.
