Arguably one of the best homes in the area on one of Smithton's best blocks. Elevated, yet mostly level 3970m² (almost 1 acre) in a quiet and private location but within walking distance to CBD, this is a property that has few peers. Craftsman built as his own home, the striking residence has been cleverly designed for functional family living, entertaining and to enjoy the panoramic views that stretch over town, farmland and ocean with islands in the distance. Huge list of features includes – 4 bedrooms and 2 bathrooms, granite kitchen that any chef would love, multiple living areas including upstairs with raked blackwood ceilings and floor to ceiling windows to encapsulate the amazing views, 3 car garage and workshop, manicured gardens and vegetable patch, double storey cubby house and spacious deck areas for entertaining. All in A1 condition and outstanding presentation, a credit to the fastidious owner. Only an inspection will truly make you appreciate the level of workmanship and quality that this property has to offer. Contact Casey Spinks to arrange a private inspection and discuss price guide.
