If you are looking for land to compare this to, you will be looking for a long time. This is an absolute rarity. 9672sqm (2.39 acres) of prime land in arguably one of Surf Beaches most desirable streets. Surrounded by the best of the best in homes (with homes selling in excess of \$2 million dollars) and with an ocean view that is to die for! On this block you have the best of both worlds, stunning water views that are panoramic, including the Tollgate Islands with a rural feel where you're not being boxed in. Go ahead and get an architect to start designing your award-winning home on the block that it should be built on because there will be no regrets when you buy this. You know the saying buy well, buy once well it couldn't be truer in regard to this land.
