Those seeking to renovate and flip will recognise the opportunity that this property represents. Those looking for a property to call home could move straight in and renovate at their own pace or have all the works completed prior to moving in. 32 McLean Street has so much opportunity for the creative open minded. This property is tired and in need of renovating both inside and out however with a large floor plan, the potential is endless. - Good sized foot print- Large lounge room with a separate dining area - True 2 bedroom with a 3rd bedroom positioned in the middle of the home (refer to floor plan)- Tired bathroom - Separate toilet- Fully fenced 607 sq.m block - Double side gate access- Single carport - External laundry - Central location The location of this home is priceless and is close to all Townsville has on offer - Pimlico State High School, Currajong State School, Ottos and Domain Central are all within 7 minutes away. The Strand and all that it offers is approximately 13 minutes away.
