That's exactly what's on offer with this large elevated brick veneer home. Sitting on a fantastic size corner parcel of land measuring 770m² (approx.) which makes it ideal for a myriad of different sub-division options (STCA). This wonderful family home was lovingly built by the owner and it's the first time it has been offered for sale in just over 40 years. Upon entering you are greeted by a wide entry/hallway that leads to four generous sized bedrooms, master with an ensuite and a 2nd bathroom servicing the remaining bedrooms. A formal lounge room and dining room offers the growing family plenty of space and the lovely kitchen features Blackwood timber cabinetry, gas upright stainless stove and an abundance of cupboards and benchtops. On stepping outside you will find mature gardens along with handy veggie patches to grow your own veggies in, garden shed, 2 x water tanks, four car brick garage and long side drive. Extra features include ducted heating, evaporative cooling, cantina under the rear porch, roller shutters and so much more. All this and a wonderful location to match with local schools, shops and public transport all within a short stroll.
