30m x 15 m Grant Engineering Shed on 1.033 ha (2.552 acres). Situated close to the township, 32 Nugent road has a main road access which is to be upgraded in the near future at no cost, and affords any purchaser a great opportunity to own a very well built Grant Engineering shed with 2 bays cemented and the balance compacted gravel floor. Power is supplied by a 35 kva generator and water from 67,500 lt of rain water. A rare chance to buy a larger land parcel with low maintenance infrastructure.
