\$610,000

The hard work has been taken out of this one with recent, stylish renovations extending to two new bathrooms, kitchen, laundry and flooring. Backed by a quiet, end of cul-de-sac location, huge block and excellent privacy. * Unassuming from the street it's a lovely surprise to find the home is of a split level design with timber raked ceilings and exposed brick chimney breast, all further enhanced with thoughtful improvements.* Lounge room with feature barn doors opens to 3.6m sitting room or office as currently used.* The kitchen, a highlight is well planned with entertainer's station, dishwasher and excellent storage solutions; pantries, drawers and cupboards galore! Light filled and opening to dining.* Bedrooms, all with built-in-robies, the master with walk-in and modern en-suite with feature tiling.* Luxury main bathroom also has floor to ceiling tiles, double stone top vanity and rainwater shower head.* Split system air-conditioners and ceiling fans throughout.* Prime Singleton Heights position, 500m to the school, medical centre and shops yet tucked back off the road with garage, off-street parking and rear yard access.
