An inviting entrance with the timeless appeal of natural tas oak floor boards that flow throughout the living spaces.

A wall papered feature in the living space is an effective contemporary addition, reverse cycle air conditioner to maintain comfortable temperatures.

Dining adjacent the kitchen, clear view of the rear yards from both areas.

A centrally located bathroom close to all the bedrooms with built in robes.

The immediate backyard is level with double garage/workshop and the balance of the land elevated, perfect to build a viewing platform to admire the outlook or possible development subject to approvals.
