## **THE DEAL: \$1.38M - \$1.48M**

THE DEAL On the fringe of Dunstan Reserve, this premium four-bedroom, three-bathroom brand-new residence by Workform Constructions promises a carefree haven of light-filled luxury and style. With every detail meticulously curated, it's where effortless living meets exquisite design, offering a lifestyle as vibrant as the park-side address it calls home. On-trend from the start, the striking facade opens into bright, free-flowing luxe spaces, where show-stopping interiors boast European oak floors, high ceilings, and chic, curved walls. The north-facing rear orientation illuminates the entire home with spectacular light, sweetening an indoor-outdoor transition from the open-plan living and dining domain to the paved terrace and 'no-maintenance' gardens. Tundra marble and high-end Fisher & Paykel appliances, including twin ovens and an integrated dishwasher, showcase exquisite style within the showpiece kitchen, where the premium rangehood echoes the subtle curve of the adjoining walls and island benchtops. Impeccable family zoning ensures everyone finds their own slice of sanctuary with three upstairs bedrooms, each with custom-fitted robes, including the lavish main suite with its dual-vanity sky-lit ensuite. The guest bedroom is enticing on the ground floor with its semi-ensuite access, which is ideal for accommodating overnight visitors. Plus, a secondary retreat/living room upstairs provides flexibility as an additional bedroom or a cosy hideaway. With 100% wool carpets, reverse-cycle ducted heating/cooling, an integrated office nook, laundry, water tanks, stylish handmade tiling, custom lighting solutions, the efficiency of 3kW solar and a location accessible to the CBD, Moonee Valley Racecourse and vibrant cafe culture in minutes, there's no better option for luxe living. SEALS THE DEAL Impeccable quality, high-impact living on a low-maintenance scale - this is where lifestyle meets design.
