Being on two titles, this property is attractive to anyone wanting a larger block or perhaps the option to develop the vacant block. The home features: - Sun filled living room with cathedral ceilings. Modern kitchen with an adjoining second living area. The separate dining area overlooks the delightfully maintained grounds. Three bedrooms, all with built-in wardrobes. The master bedroom has an ensuite and walk-in wardrobe. A separate office. Heating is provided by a Coonara wood heater and there is floor heating if required. There is a separate room at the rear of the home ideal for a rumpus room, studio, mancave or teenage retreat. It also includes a toilet. Larger separate garage with workshop space. The grounds are immaculately landscaped and manicured which will impress even the keenest gardener. All this plus views of the Bass Strait and along the coastline to Low Head, 50 km away. Feel welcome to phone Raymond Buitenhuis to arrange an inspection. You're going to love it!
