Perfect for the renovator or those wanting to redevelop the site (STCA)! This 1950's cottage has all the charming features of yesteryear including Jarrah floors, windows and architraves, high ceilings with decorative cornices and a spacious master bedroom. The lounge room is large with 2 sets of beautiful lead-light French doors, one from the foyer and the other into a spacious dining room. The kitchen is monstrous with plenty of scope to modernise with all the space available. Side access is available to a single carport and an outdoor studio. Don't miss this fantastic opportunity to purchase this character filled home on a massive 1041 sqm block to make your own. More than enough room to add a monster shed and swimming pool and extend the house. Call Team Jones today for further information
