From \$599,000

This modern brick home on two hectares in Redfield Park Estate presents the perfect opportunity to improve your lifestyle. Generous 2.4-metre wrap-around verandahs provide the character of a rural homestead, while the interior has a stylish, modern finish. Three pairs of sliding glass doors along the front of the home allow plenty of light and fresh air to flow into the kitchen and living area. The beautiful modern kitchen is impressive to say the least, with stone benchtops, Smeg gas/electric 900mm stove, dishwasher, microwave, rangehood, island bench with breakfast bar, overhead cabinets and big walk-in pantry. Each of the three bedrooms has a sliding glass door to the verandah, and bedrooms 2 and 3 have built-in robes with mirrored doors. The master bedroom includes a large walk-in robe and ensuite with shower, toilet and vanity. Extra features of the home include slate flooring, recessed LED lighting, solar hot water and built-in wood heater. The massive 12m x 9m lockable shed has a concrete floor and power. A 90kL rainwater tank collects ample fresh water for the home. The two hectares of land present a blank canvas for you to finish as you wish. There are two paddocks at the back with a laneway between, which would be ideal for a couple of horses. The front of the property could be reticulated from the existing bore to establish your own gardens. Contact local agent Craig Hyne to arrange a viewing of this beautiful country home.
