If you have been seeking a contemporary, low maintenance home, this could be the property you have been waiting for. Upon entry, light-filled, open-plan living awaits, with a neutral colour palette throughout. The contemporary kitchen has extensive storage, and sits adjacent to the living and dining spaces which enjoy plenty of sunlight and water glimpses. Quality accommodation comprises three generous bedrooms. All three have built in robes, and the master is equipped with a chic ensuite. The home has all you would expect in a near-new property. All windows are double glazed, and there is insulation in the ceiling, walls and the floor. Outside, the property continues to impress, with a fully fenced yard serving as an ideal space for children and pets to play. Midway Point is an increasingly sought-after suburb amongst families and down-sizers alike. The home is located 25 minutes from Hobart's CBD and under 10 minutes from the Sorell and the Cambridge Park shopping complexes. This really is an incredible opportunity to secure an immaculate property in a fantastic location.
