Offering a carefree, low maintenance lifestyle, this private and secure townhouse is close to transport and Bentons Square Shopping Centre - perfect for the lock and leave lifestyle or those who want to spend more time living and enjoying the wonderful amenities of the Mornington Peninsula. Featuring three large bedrooms all with robes and a master with ensuite, the home also offers a light filled living space overlooking the courtyard, a central kitchen with stainless steel appliances and dishwasher. Creature comforts include ducted heating and split system airconditioning but if it's the little extras that count, there's also nine foot ceilings and internal access from the garage.
