Well south of Bell Street in a quiet and convenient Coburg neighbourhood, this contemporary home is set to impress with its surprisingly spacious design, long list of features and delightful outdoors to enjoy. Ideal for professionals, young families and downsizers alike, the home's luminous interior showcases three bedrooms (two large with BIRs) all complemented by an updated bathroom and separate WC. Further emphasizing its terrific floorplan is the inclusion of a versatile front lounge and open-plan living/dining area to the rear adjoined by a well-appointed kitchen with stainless-steel cooking appliances and Bosch dishwasher. Along with zoned ducted heating/refrigerated cooling and additional ceiling fans for year-round comfort, this remarkable home also includes a full-size laundry, internally-accessed garage and second driveway parking space. Completing the picture is an undercover patio and sunny backyard with established perimeter gardens, plus a handy storage shed and direct access to the rear ROW. Moments from the open spaces of Coburg Bush Reserve, it's also close to Piedimonte's Supermarket, Melville Road trams and a choice of bus routes, as well as easy access to local schools, Coburg Station and the area's renowned retail precinct.
