This fabulous home (Circa 1926) has retained many of the period touches including fireplaces, leadlight and polished floorboards throughout. There are 2 large bedrooms, upgraded kitchen with stainless steel appliances, meals area, modern bathroom, large laundry plus a delightful living room with French Doors that open onto the covered patio. The rear yard is private and complimented by a lock up carport that can double as an extra outdoor area ideal for entertaining. Climate comfort is achieved by split system air-conditioning in the living area and ceiling fans in the bedrooms. Ideally situated in the heart of Richmond it is close to transport, shopping, schools and is convenient to the City. Be Quick this will not last!
