Welcome to one of the most impressive properties in Hamlyn Terrace! This stunning Beechwood home, set on an approximately 1449m² block, is a must-see. Located on the highly sought-after Stan Johnson Drive, it features four generously sized bedrooms, including an oversized master with his and hers walk-in robes and an ensuite. There's also a separate study, great for those that work from home and can easily become a fifth bedroom if needed. The expansive kitchen, with stone benchtops, walk in pantry and a large 900mm gas stove, is a chef's dream. High 9-foot ceilings are a feature of the home, adding to the grandeur of the expansive living areas. Complete with ducted air-conditioning, and downlights throughout, you will enjoy the benefits of a large 16KW solar system. Additionally, the home has been freshly painted and carpeted. Outside, you'll find two separate covered entertaining areas overlooking the backyard. For garaging, workshop and storage space there is versatility provided by an attached, high clearance double garage with internal access, as well as side access to a detached double garage at the rear that is fully lined and includes air-conditioning, plus a pool house with a fully equipped kitchen and a bathroom. This space is perfect for entertaining or converting into a sleepout or teenage retreat. The jewel of the backyard is the solar-heated, saltwater in-ground pool with a shade sail and water slide for the kids. Perfectly presented with impressive, landscaped gardens and a fully fenced, flat and level year this home is one of a kind and one you don't want to miss out on....
