New to the market is this 619 m2 Vacant block in the Exclusive area of Horrocks Beach. Land here comes up so very rarely that this block is a must on your list. With no extra land being released in the little community of Horrocks getting something that you can build on is either extremely expensive or unavailable. This block is surrounded by quality-built homes and is literally about 282 mtrs to the water, just perfect for kids to walk for a swim and play at the extensive playground area. Horrocks is truly a destination with its perfect beaches, laid back lifestyle limited release of land and awesome community spirit. The options here are to either buy and build or hold onto it for later and maybe retire next to the ocean and all this is only 22kms to Northampton, 92 kms to Kalbarri and 73 kms to the largest town of Geraldton. If you would like to find out more about this terrific block, please call Trish Longva at Elders Real Estate Geraldton on 0429654999.
