This fabulous family home in Cape Burney is just 4 years old and has loads to offer. Not your run of the mill standard cookie cutter home, this one has a lot of unique practical features. The beautifully appointed master bedroom with modern ensuite is complimented by 3 more generous sized bedrooms. Actually for bedroom 2; "generous" is a massive understatement - it's huge! The hub of any house and certainly this one is a large open plan kitchen, dining and living area which is light and bright and opens out into the beautiful back yard with below ground pool. Another of the really unusual but incredibly practical features of the home is the huge walk in pantry with an opening into the dining room so the family chef can still be part of family discussions while prepping their meals. Outside is a fantastic all weather patio for entertaining all year round, plus the pool and easy to maintain lawn and gardens.
