Located in a very quiet, family-friendly street this neat and very low-maintenance, modern home ticks all the boxes. There is a fully fenced yard at the rear; the perfect space for kids and pets - with side access and also room for a pool. The fully air-conditioned home itself is very neat and functional, with a flowing layout that opens out to the rear patio area. Near new, with a very modern fit out the home is sure to impress; also includes a solar power set up and internal access to the double lock up garage, with a huge amount of storage space throughout the home. This is a great opportunity to buy in this very popular part of Cannonvale, do not delay on making an appointment to view.
