Every family lifestyle dream comes true in this immaculate 4-bedroom entertainer, where grand interiors showcase a renewed modern vogue, incredible alfresco spaces are primed for laid-back leisure, and a massive workshop showcases the perfect addition for the DIY enthusiast or tradesperson. Reinvigorated formal and casual lounges create the basis for a family design primed for complete enjoyment, encircling a stone kitchen and dining room where top-tier Bosch appliances leave no stone unturned in creating the perfect space for the avid home chef. A buffet island sits ready for large gatherings, complemented by an adjacent covered terrace with a slow-combustion heater, and a woodfired pizza oven perfect for all-weather enjoyment. Remote gates at one end and bi-fold doors to the other create a through access to a 10.0 x 7.0m (approx.) powered workshop with plumbing, perfect as a mancave, work-from-home base, or a workshop for the home handyperson. Inside, four robed bedrooms are beautifully zoned for peace and quiet, including the main bedroom with a walk-in robe and ensuite. Complete with fantastic storage options inside and out, camera and alarm security systems, instant hot water, 14,000L water tank capacity, solar power, ducted vacuum, evaporative cooling, and ducted heating, it sits in the coveted Warranqite Estate, backing onto the Warrengine Creek Nature Reserve and poised only moments from Hastings Marina and foreshore, High Street shopping, public transport, and the greater Peninsula hinterland.
