Modern Magic A sleek redesign of this family favourite brings easy living to new levels. Seamless inside-out connections, high-quality finishes and architect-designed glamour give this 4 BR home the edge. The sublime living-kitchen-dining zone connects to the elevated alfresco domain and zen-like garden, while further highlights include charming kids' BRs, open fireplace, study zone, parents' retreat and luxury bathroom. Extras include Bosch appliances, huge stone kitchen bench, designer lighting, hardwood floors, cubby house, GDH, a/c unit, split-system a/c and auto single garage. This blue-ribbon lifestyle offers easy access to trains, buses, schools, shops and the Eastern Freeway.
