Roi is set to be an architectural landmark of the future, establishing a benchmark for modern inner urban living. The building is eco-conscious in its design and features a glassed two storey foyer that houses an exhibition wall, landscaped communal gardens and extensive outdoor entertaining areas. Roi exceeds expectations to offer a considered approach to living and represents a rare opportunity to live in one of Melbourne's most tightly held and highly sought after residential areas. Offering two bedrooms, spacious open plan living/kitchen, luxuriously appointed bathroom, European laundry, and large balcony. Amongst the quality finishes enjoy fitted built-in robes in both bedrooms, master with study alcove and access to bathroom, an abundance of natural light and an ultra-modern kitchen with stainless steel gas appliances, dishwasher, stone bench tops, glass splashbacks, ample bench space and full pantry. Additional features include security entrance, reverse-cycle heating/cooling, secure undercover car space, storage cage and access to a communal BBQ area. Be quick... inspection will impress!
