Are you seeking a tranquil retreat amidst nature's beauty without sacrificing modern comforts? Look no further than this remarkable rental property located at 324 - 330 Richardson Road. With modern furnishings and located 5 minutes from Port Lincoln CBD, embrace the serene countryside lifestyle while enjoying the convenience of contemporary living. Open the grand front door and step into the warm and inviting living area with floating floors and large windows letting the natural light come flooding in. The living area is complete with a combustion fireplace for cool winter evening and a split system for the extra cooling in the summer months. Off of the living area you will find the kitchen of your dreams, featuring ample cupboard and bench space, not one but two electric ovens, a large gas cooktop and dishwasher. If this is not impressive enough, there is also a butlers pantry and windows to look out in to the country landscape while creating a culinary masterpiece. This home features three spacious bedrooms and an office space equipped with built-in cabinetry and desks. Bedrooms 2 & 3, along with the office, are situated down a lengthy hallway. The luxurious Parents' Retreat occupies the opposite end of the home, offering panoramic views of the picturesque landscape through its windows. Complete with floor-to-ceiling wardrobes, a built-in beauty station, and a concealed ensuite, this retreat is truly the bedroom of your dreams. Plus, all bedrooms are equipped with ceiling fans for added comfort. The ensuite is located behind hidden doors in the walk in wardrobe and has a double shower and double vanity for the added functionality of a busy household. The three way main bathroom has a large shower, bath and vanity. The laundry has ample storage and bench space. Step outside and immerse yourself in the tranquility of rural living. Sitting on the large rear deck, sit back and enjoy the view or host an evening with your family and friends. Enjoy ample parking space and explore the vast surroundings at your leisure. The home has 130,000 liters of rainwater and is fully fenced. Pets are negotiable. Don't miss out on this rare opportunity to experience the epitome of rural living in a modern and stylish setting.
