\$210,000

The location is perfect and in high demand being located directly across from the hospital. The home has 3 good size bedrooms, traditional entrance hallway, very large lounge room with pressed tin ceilings, basic kitchen, dining room, rear foyer, bathroom with bath and walk in shower. An external laundry, front and rear verandahs, carport and garage (access for small vehicles) paving and gardens complete the property. For renovating this property has excellent potential.
