Changing hands for the first time in 70 years and nestled conveniently in a popular Pascoe Vale neighbourhood zoned to Strathmore Secondary College, this mid-century home offers an immediately comfortable lifestyle with outstanding options to renovate, renew or redevelop (STCA). Set on a sizeable corner block (approx 517sqm), the home's light and bright interior comprises three bedrooms (one with BIRs) all serviced by a contemporary-style bathroom with frameless shower and separate WC. Add to this a versatile front living room and neat kitchen/meals area leading through to the rear sunroom/laundry. Features include ducted heating, solid hardwood floors, plus a sunny north-facing backyard complete with double garage accessed via Anderson Street. A short stroll to the local shops (including the venerable O'Heas Bakery & Deli), cafes, popular parks, and Pascoe Vale Primary School. Accessibility is also a breeze with close proximity to Pascoe Vale Station, Cumberland Road bus stops, as well as easy access to Citylink and the Tullamarine Freeway.
