A masterpiece of family-oriented luxury, this modern architecturally designed brick home offers a rare parkside lifestyle of idyllic privacy, space, and indoor/outdoor leisure. Boasting approx. 423sqm of internal space, this well thought design extends over a tri-level layout creating an abundance of living/dining zones, including an open plan family area that connects to a beautiful alfresco haven, heated saltwater pool and sculpted gardens. Basking in a picturesque backdrop, it provides direct access to Bill Mitchell Park and Glades Bay, while moments to village shops, schools, local buses, ferries and only 10kms to Sydney CBD. - Flawless interiors create an abundance of combined and separate living spaces- Expansive open lounge and dining area flows effortlessly outdoors- Idyllic alfresco haven, gardens and saltwater pool bask in park backdrop and bathed in sunshine - Granite crafted long island kitchen features gas stove and huge walk-in pantry- Exquisite master bedroom reveals walk-in and claw foot bath ensuite- Four double bedrooms upstairs most with park views, guest bedroom and ensuite downstairs.- Ducted air conditioning, plantation shutters, built-ins, gas fireplace- Internal entry to a 50sqm double lock-up garage, wine cellar, Tesla 15kw battery.
