With stylish and light filled interiors throughout, this double brick home presents a seamless floorplan ideal for the modern family. Featuring generously sized bedrooms, main with ensuite & Biw's, formal & casual living & dining areas with a centrally located kitchen. The kitchen features cathedral ceilings, dishwasher, gas cooking, large pantry, and breakfast bench that makes cooking and entertaining a breeze. Outside, the covered tiled verandra provides a perfect spot for outdoor gatherings or relaxation. With an oversized single garage offering internal access. Set on over 800sqm this property has additional parking space for a caravan or extra cars, & storage. Overall, this well-appointed and comfortable home with modern amenities and features, caters to both convenience and relaxation. Located in a family friendly street, in proximity to beaches, bike track, schools & transport.
