Contemporary, liberated and cool is Camperdown's 'DNA', by award winning Marchese architects. The apartments are distinctively metropolitan in a series of low-rise buildings that encircle landscaped chill-out gardens. From the design function of the spacious kitchens, to the placement of bedrooms away from the living zones, the layout is brilliantly considered and definitely designed for life. - Stunning kitchen design with soft close drawers, translucent glass splashbacks, black brush metal appliances with gas cooktops. - Master bedroom with built-ins plus ensuite. - Balcony off living area offers a great space for outdoor entertaining. - Large tiles in the living room and kitchen areas and carpets in the bedrooms. - Reverse cycle air-con. - Internal laundry. - Carspace in the secure basement car park with direct lift access. Wrapped in lush manicured gardens designed by landscape architects '360 degrees'. This gorgeous apartment is located at the soul of the inner-west's bustling cafes, restaurants and easy walking distance to city buses, RPA, Sydney Uni.
