Azure Living proudly presents - Alton Edition. Combining functionality with contemporary architectural design, Azure's Alton Edition is a thoughtful new approach to meticulously planned suburban living in the heart of Richlands. The bespoke and distinctive architectural design and careful orientation of this collection of 3 & 4 bedroom terrace homes showcase the fundamental elements of liveability. Spanning over two levels, this contemporary terrace home is an impeccable fusion of space and convenience. - 4 generous sized bedrooms each with built in robes - Modern open-plan kitchen - Generous windows and glazing, allowing an abundance of natural light - A powder room on ground floor - Modern bathroom upstairs + ensuite to the main bedroom - Split system air-conditioning to both living room and main bedroom - Single lock up garage with carport - Private Courtyard - Communal Pool - Located in the growing western precinct, Richlands - 16km from Brisbane CBD - 700m to train station and bus interchange - In close proximity to the Logan, Ipswich and Centenary Motorways. Pets are considered upon application. Book an inspection today to avoid missing out.
