Seaside Estate

Here is your exclusive chance and probably a very short chance, to purchase an elevated block, just one street back from the ocean in the ever-popular Dalyellup Estate. The owners fell in love with this seaside estate and the lifestyle it offers, close to the schools, shops, stunning parks and of course the amazing ocean.... They had already had plans drawn to build a 2-storey home to take advantage of the stunning ocean views... But circumstances have changed and their dream home in this idealistic coastal beachfront estate can no longer be. So here is your chance, to be the proud new owner of this 713m²* block... with the slight elevation from the road adding to the height achieved, and those stunning views... With the homes already built behind you allowing you to see what views can be achieved. But don't delay as these amazing vacant blocks are becoming rarer every year.
