This exceptional home embodies luxury living at its finest, where every aspect has been carefully crafted to cater to every conceivable need, delivering the epitome of lifestyle excellence. Exemplifying spaciousness and thoughtful design through its diverse living and entertaining areas, it prioritises comfort and pleasure to the fullest. Adorned with tasteful finishes and intricate details, the home exudes an atmosphere of refined elegance that permeates every area. Upon arrival, the property makes a grand statement with its contemporary facade, elevated, well-positioned setback, lengthy driveway leading to a spacious double garage. A unique feature is the wide side access to a large newly paved area, offering additional parking for your extra vehicles. Step inside, and to your right is the front living area, perfect for hosting formal gatherings. A versatile fifth bedroom, complete with built-ins, is ideal for guests or as a home office. Perfectly accompanied by a full bathroom with a shower, providing convenience and practicality. Experience the vibrant hub of the home, where the sun-filled open-plan living, dining, and a gourmet kitchen seamlessly combine and effortlessly transition to the outdoor area. The deluxe gas kitchen includes top-tier stainless steel appliances, a glass splashback for natural light, ample storage, including a walk-in pantry, and a large island serving as a breakfast bar. Outside is all about extensive entertainment while requiring minimal maintenance. Host unforgettable gatherings in the expansive tiled alfresco space, equipped with electric blinds for year-round enjoyment. Enjoy the timber seating, which offers a peaceful setting and overlooks the grassed yard, allowing kids and pets to play without the hassle of maintenance. Upstairs, discover an additional living space, ideal for a cozy retreat to relax and unwind. The master suite is a true sanctuary, offering a private balcony, walk-in robe, lounge setting, and a lavish ensuite with a twin vanity and shower. The three other bedrooms are generous in space, all with built-ins, providing plenty of space for the growing family. A luxurious retreat awaits with the family-sized main bathroom offering floor to ceiling tiles, a shower, bath, twin vanity and separate toilet. The property also features solar, an alarm system, a ducted a/c, understairs storage, and a laundry with shelving and external access.
