$650 per week

A sanctuary of space and light, this 4 bedroom townhouse exemplifies the highest of modern finishes and offers a stunning family-sized abode in a premier setting.A clever floor plan across 2 levels provides the occupants space and privacy for even a large family. The entertainer will love the sun-drenched yard and spacious living / dining areas that are seamlessly connected. The master bedroom has a large walk-in robe and ensuite. The additional bedrooms feature built in robes - with one bedroom also having an upstairs balcony. The backyard is a good size, with not too much but not too little space of which is easy to maintain.There is also a large double garage with internal access giving you a complete home in every facet!
