Mostly hidden from the street, there is a lot more to this home than may initially meet the eye. Set back in a nice, quiet cul-de-sac, you will find this surprisingly roomy home with a separate single garage, open plan living, 4 bedrooms (master bedroom has an ensuite and walk in robe), separate laundry and 2 heat pumps. This home sits in a developing area, with a new sub-division just around the corner, near completion and would be ideal for a growing family or the perfect investment property. If you are looking for value for money real estate, put this one on the top of your list. The home is currently vacant and available to owner occupiers or investors alike.*Harcourts Burnie has no reason to doubt the accuracy of the information in this document which has been sourced from means which are considered reliable, however we cannot guarantee accuracy.
