Hidden behind secure fencing is 33 Bloomfield Street, a three-bedroom residence that has so much to offer you! The home offers spacious living, a sunken carpeted lounge room with reverse cycle air-conditioning, and external sliding to access the rear L-Shaped veranda. The kitchen has ample storage overhead, a gas cooktop, an oven, a large pantry and a double sink that looks out to the backyard. Down the hallway are the home's bedrooms and amenities, which can be closed off from the rest of the home. The three bedrooms are carpeted with built-in robes, modern window furnishings, and ceiling fans; the main bedroom is just slightly bigger and has a glass sliding door access out to the veranda and backyard. The bathroom has a bath, vanity, enclosed shower and toilet. Solar power and hot water service will help keep the power bills at bay. Outside is the main family area - a veranda that wraps around the back of the property for you to enjoy on those warm summer nights. There is also an outdoor laundry with a trough. A great highlight is the large, powered shed with a roller door and door access. To the front of the property are a sizeable front yard and an impressive double carport. With a modern interior and plenty of space to move around, it's a great place to call home for a family or close friends. The house is set on a huge 1250sqm block of land with plenty of room for kids to play, and with an outdoor laundry and massive shed, there's no need to spend time doing chores indoors! Call Lindsay to make an inspection time before it gets snapped up!
