Elizabeth Treonze

\$850 per week

This quality street front home hits the heights with an elevated outlook & built with quality appointments including high ceilings to the lower level, stainless-steel appliances & stone bench tops, quality timber flooring. Cleverly designed, this 4-bedroom plus study & study nook to the upper level residence offers a ground-floor master bedroom with BIR with draws, plenty of storage area including storage room to the garage; open plan living & powder room large enough to entertain your family and friends. Further 3 bedrooms upstairs one of which can double as a second master bedroom all with built in robes and generous central bathroom. Low maintenance garden, outdoor entertaining courtyard; this home is worth applying for. For further information or for an obligation free appraisal phone Elizabeth Treonze Real Estate.
