Sale by SET DATE® Tuesday 7th May closing at 5:00pm. Presenting as a portrait of perfection on a private 1,825sqm (approx.) block opposite Plenty's sports precinct, there's no shortage of wow factor inside this glamorous four-bedroom family home that's made to entertain! A triumph of stylish single-level living for the socially-active family, the meticulously designed interior blends three separate living areas with zoned bedrooms of generous proportions, while on-trend finishes envelop the home with five-star quality. The successful pairing of the fireside family/dining area with the deluxe main bedroom (with chic ensuite) presents parents with the privacy they crave; with a sensational bar handy, spending happy hour in front of the gas log fireplace with a glass of red is something to savour. A sleek stone kitchen is a worthy centrepiece in the heart of this fashionable home, overseeing the central lounge that extends onto the oversized undercover alfresco primed for large-scale gatherings. A gorgeous fully-tiled swimming pool with an adjacent undercover area presents another space to entertain (or relax) in style! Featuring a separate three-bedroom accommodation zone with modern bathroom and living area, lush lawn, large workshop/studio, split-system heating/cooling, double garage and fantastic side access with lots of parking space for additional cars, boat, caravan and trailers, upgrade in style moments from schools, transport, Greensborough Plaza and major arterials.
