This neatly presented 3 bedroom home is located within close proximity of Kingscote town centre, school campus and recreational grounds. The inviting floor plan offers a shared kitchen/dining, with the lounge immediately adjacent. Sea views can be captured from the living space with easy access through to the front deck via the dining room. Year round comfort comes from either the split system air conditioner or slow combustion fire, making it very pleasant for those colder winter nights! There is a carport to offer weather protection right outside the front door. A rear pergola and low maintenance gardens are already established, so all you need to do is move straight in and start enjoying! Large double garage not included. Two smaller sheds available for storage.
